Nothing could be finer than to be in South Carolina **(I mean Florida in January).** Many thanks to all the exhibitors that traveled to the Tampa Bay shows to escape to a warmer climate to show your dogs. A super large entry with lots of depth and quality. I enjoyed seeing friends and dogs alike, hopefully this trend will continue throughout the year for all.

WINNERS DOG AND BEST OF OPPOSITE SEX
Garcia's **NEVER LET YOU GO OPALPLAST FRIEND OF MINE** (Constantine Opalplast - Semiramide Opalplast) A white with black brindle ears with a nicely turned head, good expression and fill under the eye. A smallish dog with good bone. Good front, a little thick in the shoulder, I would like a shorter back. Needs to mature. Moved well both ways.

WINNERS BITCH, BEST OF WINNERS, BEST OF BREED AND BEST OWNER HANDLED
Whitmer, Thomas, Kilpatrick and Lethin's **KINGSMERE BRILLIANT OBSESSION** (GCH Rhinestone Too Hot To Handle at Brilliant - GCHB Kingsmere The Divine Miss M) This girl catches your eye as soon as she enters the ring. A feminine white girl with small eye and a spot of color above the eye. A well turned head with small triangular ears right on top. Super expression with small deepset eyes. Lots of bone and fill under the eye. Mouth is incorrect. I would like more length of foreface, but good strong underjaw. Good bone for her size. Adequate reach of neck into slightly upright shoulder and good rib spring. Slightly long cast but it does not detract from her small, super typey outline. She exudes mini with her jaunty action in the ring. A youngster who will only get better with maturity, moved well both coming and going. Wow!

RESERVE WINNERS BITCH
Pressler-Tash and Brown-Stone's **BOWNSTONE'S TWO LEFT FEET AT ROCK & ROSE** (Brownstone's Live Your Life - CH Brownstone's Kiss Of The Muse) A white girl with black ears, nicely turned head with nice expression just not as good as the winner. Good length of foreface with okay fill under the eye. Mouth is correct. Nice reach of neck into a good shoulder and topline. Enough bone and substance for her size. This girl is taller and with a larger frame than the winner. Moved well coming towards and lots of drive going away. Very square and correct in structure just a little too big compared to the winner.

SELECT DOG
Ohmsen Owen's **CH INTEGRITY'S ROCKET MAN TCN BCAT** (CH Menusha's It's Just A Black Eye BN RN - CH Seadog's Do You Want To Dance TKN) A masculine brindle and white with super expression, fill under the eye and a perfect bite. His head lacks turn but has plenty of foreface. Behind the collar he excels in body type being ultra compact with good reach of neck, good lay of shoulder and a short back. A cobby dog that is a correct size with plenty of bone and substance. He moves exceptionally well both ways. If this dog had more profile, he would have pushed the breed winner hard for the top spot.

SELECT BITCH
Himmelreich and Maurer's **CH IRONWOOD A TOUCH OF CLASS** (CH Sunrise Minotaur Fun Sized - GCH Ironwood Shade of Pale at Seadogs) A white with a tricolor head marking. A smallish feminine girl with a nicely turned head. Triangular ears that are on top, good eye placement and expression. Nice long

foreface with just enough fill under the eye. Mouth is correct. I would like a little more length of neck to balance out her length of back. Enough bone for her size. Moved well both ways.
